| Lily Varieties               | Description  |
|------------------------------|--|
| <b>PINK ORIENTAL LILIES</b>  |  |
| MARLON                       | Sugar pink petals with white edging, slight ruffle and freckling                       |
| DONATO                       | Raspberry pink petals with creamy white center, no freckling                           |
| ROBINA                       | Deep raspberry pink petals with creamy white center                                    |
| SORBONNE                     | Pale pink petals with thin white ruffle, darker pink centerline and freckling.         |
| TABLEDANCE                   | Rose quartz to medium pink petals that fade into white center                          |
| <b>RED ORIENTAL LILIES</b>   |  |
| LA MANCHA                    | Raspberry petals and ruby red bands with lighter edges, ruby red freckling.            |
| MONTEZUMA                    | Deep raspberry petals with dark ruby freckling in center                               |
| PARADERO                     | Ruby to deep pink petals blending into white edge with creamy yellow center star       |
| PALAZZO                      | Intense purple-red petals and center that fade out to the light tips                   |
| STARFIGHTER                  | Deep red-pink petals with a defined white border, slight ruffle, burgundy freckling    |
| <b>WHITE ORIENTAL LILIES</b> |  |
| CRYSTAL BLANCA               | Bright white petals with white textures freckles on curvy, ruffled petals.             |
| MONTENEU                     | Classic white petals with slightly ruffled petals, soft green center                   |
| RIALTO                       | Bright white petals, ruffled, center line radiating outward from the soft green center |
| GANDHARA                     | Snow white petals, slight ruffle, white textured center line from soft green center    |
| PREMIUM BLONDE               | Classic white, ruffled petals with textured centerline from white center               |
| SIBERA                       | Snow white petals with broad front petals drifting back over ruffled back petals.      |
